## Why choose us

We're ready to share our experience.

### Our Skills

For us, responsible investment is a way to get the best possible return for you in short and long term. We've always believed that companies that conduct their business in a responsible and sustainable way are more likely to succeed over time, benefiting both you and society. Bad practices don't just hit the headlines, they hit the bottom line as well.

### Our Mission

We believe that disruptive innovation deserves unbiased education and user-friendly investment products. In collaboration with our investment manager partners, we work to bring Wall Street standards for research, risk management and transparency to digital asset investing.

## Our Advantage

The future is full of questions. We believe in the power of integration to defy uncertainty, creating opportunity and providing investors with confidence in their investment decisions and outcomes. That's why we integrate our whole business around you – the outcomes you want, the values you hold, the experience you'll have when you invest with us.

We are always working towards creating more relevant, genuine, valuable outcomes for everyone. And the more people we do this with, the better

### Full Insurance

Your deposits are fully insured against any sharp jumps on the exchange, collapses, force majeure. We are also one of the first to find out about all the changes in the world of cryptocurrencies.

### Keep Abreast

Integration with European, American and South Asian exchanges allows us to keep abreast of all events and respond in a timely manner and take the right decision in case of sharp jumps on the exchange.

### Active Influence

We use our influence through engagement and voting to promote sustainable business practices, gain insight and reduce investment risk. And we're not afraid to call out bad performance.

### Continuous Innovation

By bringing together our knowledge, skill and creativity across major asset classes, disciplines and regions globally we can unearth great investment opportunities for you.

# Loan opportunity

## Covid Pandemic Relief Loan

We understand how difficult it is to source for enough funding at this particular period due to the impact of the global economic challenge.

In a bid to resolve this, we have structured a loan model that allows our investors to access loans which can be invested into our investment offers and withdrawn with profits at maturation.

Note: Qualifications for loan offer include having a deposit in the ELITE package and KYC verification. Principal loan amount re-payment is mandatory with an interest rate of 2% per month.

## Team Leader Commission

You can also earn special commissions on attaining a team leader status within our partnership offer. To learn the requirements of our team leader offer kindly contact us by emailing [career@alliantequity-investment.com](mailto:career@alliantequity-investment.com) or simply reach us on our live chat portal. Your email should contain the following Information: country of residence, full name, username, email and prior promotional experience. Additional contact information such as links to social media (Facebook, Instagram Twitter, etc.) will be appreciated. We'll assess your email within 24 business hours, and you'll be informed of your status via email.
